Come together – Building Bridges in Perioperative Nursing

5th NORNA congress November 29 – 30, 2018 in Stockholm, SWEDEN

Dear Colleagues

On behalf of the Organizing Committees and the NORNA Board of Directors, it gives us great pleasure to welcome you to the 5th Nordic Operating Room Nurses Congress. The Congress will be held at Stockholm Waterfront Congress Centre in the inner city, close to the central train station. Waterfront Congress Centre also has a hotel section in which we have reserved rooms.

The theme of the congress is Come Together - Building Bridges in Perioperative Nursing. The aim of the conference is to share initiatives in perioperative nurses caring for the perioperative patient. This promises to be another exciting educational, networking, social and cultural experience for one and all. An important part of our program is the medical technology industry exhibition, where you will have the opportunity to get information and news, to test products and ask questions.
